

# Workshop on Urban Agriculture in Berlin, Nairobi and Dar es Salaam

3312105 (SoSe 2021)

Faculty: Maria Velte, Sabine Fuss, Makau Kitata, Rebecca Karaya, Neema Munuo (remotely), Nestory Yamungu (remotely)

## Objectives

This workshop will provide a venue for all teams to present the results of their study projects and discuss them in formats that the students will design themselves. This can be a self-organized discussion with a practitioner, a site visit of a case study, or a keynote by an external expert, or similar. Faculty from the EAGER Trans-Net will provide feedback to students and serve as experts and moderators. Workshop participation will make up part of the final grade. The meeting will be in a hybrid format to enable also participations of those who cannot travel to Berlin.

## Logistics

- Main location: Conference room 0'119, Erwin-Schrödinger-Zentrum, Rudower Chaussee 26 12489 Berlin
- For site visits see below in program
- Zoom information: TBA
